Fan Feedback

- Los Angeles:
 - “i love the new site”
 - “Now this is a fabulous change to the website, easy to navigate, quick and full of great info...JOB WELL DONE.”
 - The new web design is a wonderful enhancement to your communications program and I'm particularly happy with the new improved video streaming facility which finally allows me to watch the highlights on my computer...”
 - I do like the new format of the website and am glad to see the Kings organization is helping to lead the way in adopting the NHL standard.
- Carolina:
 - “Really different, but good”
 - “Very nice. Long overdue. Glad to see it!”
 - “Its wicked cool!”
- Edmonton:
 - “The site changes look really nice. Great job on it! “
 - “i like it...GREAT job
 - I like it. It's a lot cleaner than the previous layouts.
- St. Louis:
 - This site is so much better than the old site. And the fan forum is more user friendly
 - This site is way better than the last one!!
 - This new site is truly (sic) a professionally (sic) done site. And I am talking the site as a whole, just not the forum.
